**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application is a continuation of Application No. 09/840,756, filed April 23, 2001, which is relied upon for an earlier filing date under 35 USC 120.

It will be evident to the Examiner that the continuation application as filed is not a photocopy of the parent application; and in fact it represents the parent application with:

- (1) a cross-reference to the parent application inserted on page 1, paragraph 1;
- (2) paragraph numbering;
- (3) correction of clerical errors in the specification and correction to clarify certain terms (ie. "cups" should be "microcups"; and
- (4) a replacement set of Claims 1-17, which are similar to Claims 1-16 filed in the parent application. Independent Claim 1 is essentially the same as Claim 1 as allowed in the parent.

If the Examiner would like an electronic comparison of the parent application and this continuation application, he/she is invited to contact Applicants' agent, who would be pleased to prepare and provide one.

This statement is not intended to represent that a search has been made or that the information cited in the statement is, or is considered to be, material to patentability as defined in §1.56.

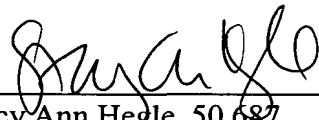

This statement qualifies under 37 C.F.R. §1.97, subsection (b) because it is being filed within 3 months of the application filing date and is other than a continued prosecution application under § 1.53(d).

☒ *Fee Authorization.* The Commissioner is hereby authorized to charge the above-referenced fees of \$0.00 and charge any additional fees or credit any overpayment associated with this communication to Deposit Account No. 08-1641 (Docket No. 26822-0014 C1).

Respectfully submitted,

HELLER EHRMAN WHITE & MCAULIFFE
